### Agenda

#### Updates

- June 10<sup>th</sup> Call Follow-Up
- Draft Letter to the State
- Updates to NWEA
- Schedule Revisions
- Contractor Assistance
- Scheduling a Managers Call During Week of August 11

Clarification on January 30, 2015 deadline:

*For the items we might now be able to approve (e.g. new development, OSDs, others), do we need to go out for public comment on those items if we're planning to disapprove overall? Do we want to? Or do we want to simply only public notice the disapproval portions?*

(b)(5) Atty-Client

"Approval bar" for CZARA (having programs or processes in place or how effectively those programs/processes are being implemented?) (Time permitting)

*PS I have cc'ed the managers in case any are interested in participating in the call.*

#### Upcoming Meetings (see attached for detailed schedule)

- June 24: Forestry: Landslide
- July 1: Forestry: Pesticides
- July 8: Agriculture MMs
- July 15: Forestry: Riparian
- July 22: Forestry: Roads

Looks like the week of August 11 would be a good time to schedule a management call. Allison, can you let me know the availability of NOAA folks during that week?

Cheers,

Jayne
